MECHANIC'S TOOLS

Mechanics joining Transamerican Auto Parts, dba 4 Wheel Parts Performance Centers should be familiar of the insurance coverage provided for tools. The coverage provided for employee tools by the company is limited to \$3,000 per mechanic.

We encourage anyone who will store tools on a permanent basis at anyone of our locations to consider adding a rider to their homeowners policy or to take out a separate policy to cover the value of their tools over \$3,000.

All of our locations are protected with alarm systems, however burglaries remain a possibility despite our best efforts to prevent them.
