- Performs inspections of completed repairs to ensure thorough and quality of repair and suitability of vehicle for return to service;
- Demonstrates continuous effort to improve operations, decrease turnaround times, streamline work;
- Processes, and work cooperatively and jointly to provide quality seamless customer service;

Minimum Requirements

- Motorized equipment repair, maintenance and testing;
- Proficiency with Hunter alignment machine;
- Lift 50 pounds or more;
- Perform a broad range of automotive repairs;
- Organize assignments to meet work requirements;
- Read and interpret system reports to aid in management of shop and performance of assigned duties;
- Communicate orally in person in a one-to-one or group setting;
- Read and comprehend Material Safety Data Sheets for chemicals used in the work environment and communicate to co-workers the precautions needed for safe handling of chemicals;
- Enter data or information into a terminal, PC, or other keyboard device;
- Methods, materials, equipment and operation of general automotive and mechanical repair shops;

- The characteristics and maintenance needs of a wide variety of automotive products & equipment;
- Safety practices and principles;
- General trades techniques, materials and practices of trades that are related to automotive and mechanical repair work;
- EPA and ADEQ regulations for spill containment and disposal of petroleum products used in a shop environment;
- Work cooperatively with other company employees;
- Work safely without presenting a direct threat to incumbent or others;
- This is strenuous work requiring good corrected vision, hearing, balancing, stooping, kneeling, reaching and lifting;

Acceptable training and experience:

Three years of experience in the maintenance and repair of automotive and mechanical equipment as an automotive mechanic, heavy equipment mechanic or equipment repair specialist. Other combinations of experience and education that meet the minimum requirements may be substituted. ASE Certified a plus.

NOTE: APPLICANTS MUST HAVE THEIR OWN TOOLS

TransAmerican Auto Parts (“TAP Worldwide”; 4 Wheel Parts and others) is the leader in the off-road automotive aftermarket. That means we have a thing for trucks, Jeeps, and anything else that can climb, crawl, jump, or race through the dirt. We operate in 21 states, and 5 Canadian provinces, with 71 retail stores, 6 U.S. distribution centers, and over 1600 of the best employees in our industry.

In addition to a great compensation and commission plan, we offer a wide range of benefits, including: medical & dental insurance; vision plan; 401(k) Plan; paid holidays; paid vacation; paid sick time; employee purchase program; and many other perks.

When you work with us, you’ll be challenged – and rewarded!

To apply:

1. Send your resume to:
2. Tell us your salary history and current salary requirements

NOTE: Resumes received without a salary history may not be considered
